

EU MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes, taking into account the five categories referred to in item 19 of the Guidelines published by ESMA on 3 August 2023, has led to the conclusion that: (i) the target market for the Notes is eligible counterparties and professional clients only, each as defined in Directive 2014/65/EU (as amended, “**EU MiFID II**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to EU MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels. The Issuer is not a manufacturer for the purposes of the EU MIFID Product Governance Rules.

UK MIFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”); and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and, should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of EU MiFID II; or (ii) a customer within the meaning of Directive (EU) 2016/97, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of EU MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**EU PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the EU PRIIPs Regulation.

PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is not a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”). Consequently, no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

8 REPLACEMENT LANGUAGE:

Restrictions regarding the Redemption and Repurchase of the Notes

The following paragraphs in italics do not form part of the Conditions nor of the Final Terms.

The Issuer intends (without thereby assuming a legal or contractual obligation) that it will redeem or repurchase the Notes (or any part thereof) only to the extent that such part of the aggregate principal amount of the Notes (or any part thereof) to be redeemed or repurchased which was assigned “equity credit” (or such similar nomenclature used by S&P from time to time) at the time of their issuance does not exceed such part of the net proceeds received by the Issuer or any Subsidiary of the Issuer from the sale or issuance by the Issuer or any Subsidiary of the Issuer to third party purchasers of securities which are assigned by S&P, as the case may be, an aggregate “equity credit” (or such similar nomenclature used by S&P from time to time) that is equal to or greater than the “equity credit” assigned to the Notes (or any part thereof) to be redeemed or repurchased at the time of their sale or issuance (but taking into account any changes in hybrid capital methodology or another relevant methodology or the interpretation thereof since the issuance of the Notes).

The following exceptions apply as to the Issuer’s replacement intention. The Notes are not required to be replaced:

(a) if the long-term corporate rating (or such similar nomenclature then used by S&P assigned by S&P to the Issuer is at least the same as or higher than the long-term corporate rating assigned to the Issuer on the date of the last additional hybrid issuance (excluding refinancings without net new issuance)

of the hybrid securities which were assigned a similar “equity credit” by S&P (or such similar nomenclature then used S&P) and the Issuer is of the view that such rating would not fall below this level as a result of such redemption or repurchase, or

(b) in the case of redemption or repurchase, taken together with other relevant repurchases or redemptions of hybrid securities of the Issuer, such repurchase or redemption is of less than (x) 10 per. cent. of the aggregate principal amount of the Issuer’s outstanding hybrid capital in any period of 12 consecutive months or (y) 25 per. cent. of the aggregate principal amount of the Issuer’s outstanding hybrid capital in any period of 10 consecutive years, or

(c) if the Notes are redeemed pursuant to an Accounting Event, Equity Credit Rating Event, a Tax Deduction Event, a Withholding Tax Event or a Gross-Up Event, or

(d) if the Notes are not assigned an “equity credit” (or such similar nomenclature then used by S&P at the time of such redemption or repurchase), or

(e) in the case of any redemption or repurchase, up to the maximum amount of Notes redeemed or repurchased that would allow the Issuer’s aggregate principal amount of hybrid capital remaining outstanding after such redemption or repurchase to be equal to or greater than the maximum aggregate principal amount of hybrid capital to which S&P would assign “equity credit” (or such similar nomenclature then used by S&P at the time of such redemption or repurchase); or

(f) if any such redemption or repurchase occurs on or after the Second Step-up Date.
