TotalEnergies releases its Universal Registration Document 2023 (Document d’enregistrement universel 2023) and its Form 20-F 2023 as well as the proposed resolutions for the Combined Shareholders’ Meeting of May 24, 2024

Paris, March 29, 2024 – The Document d’enregistrement universel of TotalEnergies SE for the year 2023 was filed with the French Financial Markets Authority (Autorité des marchés financiers) on March 29, 2024. It can be consulted and downloaded from the Company’s website (totalenergies.com/investors/publications-and-regulated-information/regulated-information/annual-financial-reports). The English translation of the Document d’enregistrement universel (Universal Registration Document) is also available on the Company’s website under the same heading.

The following documents are included in the Document d’enregistrement universel:

- the 2023 annual financial report,
- the Board of Directors’ report on corporate governance required under Article L. 225-37 of the French Commercial Code,
- the description of the share buy-back program,
- the report on the payments made to governments required under Article L. 22-10-37 of the French Commercial Code,
- the reports from the statutory auditors.

TotalEnergies SE’s Form 20-F for the year ended December 31, 2023 was filed with the United States Securities and Exchange Commission (SEC) on March 29, 2024. It can be consulted and downloaded from the Company’s website (totalenergies.com/investors/publications-and-regulated-information/regulated-information/annual-financial-reports) or from the SEC’s website (sec.gov).

Printed copies of the Document d’enregistrement universel, Universal Registration Document and Form 20-F are available free of charge at the Company’s registered office at 2, place Jean Millier, La Défense 6, 92400 Courbevoie, France.

In addition, in preparation for the Combined Shareholders’ Meeting to be held on May 24, 2024, the proposed resolutions are available on the Company’s website (totalenergies.com, under the heading investors/shareholders-meetings).

About TotalEnergies
TotalEnergies is a global integrated energy company that produces and markets energies: oil and biofuels, natural gas and green gases, renewables and electricity. Our more than 100,000 employees are committed to provide as many people as possible with energy that is more reliable, more affordable and more sustainable. Active in about 120 countries, TotalEnergies places sustainability at the heart of its strategy, its projects and its operations.
Cautionary Note

The terms “TotalEnergies”, “TotalEnergies company” or “Company” in this document are used to designate TotalEnergies SE and the consolidated entities that are directly or indirectly controlled by TotalEnergies SE. Likewise, the words “we”, “us” and “our” may also be used to refer to these entities or to their employees. The entities in which TotalEnergies SE directly or indirectly owns a shareholding are separate legal entities. TotalEnergies SE has no liability for the acts or omissions of these entities. This document may contain forward-looking information and statements that are based on a number of economic data and assumptions made in a given economic, competitive and regulatory environment. They may prove to be inaccurate in the future and are subject to a number of risk factors. Neither TotalEnergies SE nor any of its subsidiaries assumes any obligation to update publicly any forward-looking information or statement, objectives or trends contained in this document whether as a result of new information, future events or otherwise. Information concerning risk factors, that may affect TotalEnergies’ financial results or activities is provided in the most recent Registration Document, the French-language version of which is filed by TotalEnergies SE with the French securities regulator Autorité des Marchés Financiers (AMF), and in the Form 20-F filed with the United States Securities and Exchange Commission (SEC).
