

Capital increase reserved for employees of TotalEnergies in 2026

Paris, May 22, 2026 - In accordance with its policy in favor of employee shareholding, TotalEnergies SE (the "Corporation") is implementing its annual capital increase reserved for employees and former employees of the TotalEnergies company (the "Company"). Through this operation, TotalEnergies SE intends to continue involving its employees in the Company's transition strategy, growth and value sharing. Employee shareholders, within the meaning of Article L. 225-102 of the French Commercial Code and article 11 par. 6 of the Articles of Association of TotalEnergies SE, held 8.09% of TotalEnergies SE's share capital as of March 31, 2026.

The fifteenth resolution of the Shareholders' Meeting held on May 23, 2025 granted the Board of Directors (the "Board") the authority to decide, within a maximum period of 26 months, to carry out one or more capital increases of ordinary shares without preferential subscription rights, not to exceed 1.5% of the share capital at the date of the Board meeting deciding on the operation and reserved to members of a savings plan pursuant to the provisions of Articles L. 225-129 et seq., L. 225-138 and L. 225-138-1 of the French Commercial Code and Articles L. 3332-1 to L. 3332-9 and L. 3332-18 to L. 3332-24 of the French Labor Code.

The Board, pursuant to the above-mentioned authorization, decided during its meeting on September 24, 2025, to carry out, in 2026, a new share capital increase reserved for employees and former employees of the Company pursuant to the following conditions:

- ✓ **Maximum number of shares to be offered and total amount of the offer:** 18 million shares, i.e., 0.8% of the share capital as of the date of the Board's decision.
- ✓ **Description of the newly issued shares:** same category as existing TotalEnergies shares with immediate dividend rights. The rights attached to the newly issued shares are the same as the rights attached to the existing shares of the Corporation, and are described in the Articles of Association of TotalEnergies SE.
- ✓ **Listing of the newly issued shares on Euronext and on the NYSE:** on the same line as existing TotalEnergies shares (ISIN code FR0000120271 and CUSIP code F92124 100), from their issuance.
- ✓ **Share subscription price:** equal to price corresponding to the average of the closing prices of the TotalEnergies shares on Euronext over the 20 trading sessions preceding the date of the decision setting the opening date for the subscription period, reduced by a 20% discount, and rounded off to the highest tenth of a euro. The subscription price will be definitively fixed before the beginning of the subscription period.

By delegation of the Board of directors, the Chairman and CEO has, on May 19, 2026:

- ✓ Set the subscription period as follows:
 - opening on **June 3, 2026**
 - closing on **June 17, 2026 (included)**
- ✓ Noted that the **subscription price amounts to €62** per share, corresponding to the arithmetic average of the closing prices of the TotalEnergies shares on Euronext Paris over

the 20 trading sessions preceding May 19, 2026, reduced by a 20% discount, and rounded off to the highest tenth of a euro.

Please refer to the appendix to this press release for further information on this operation.

About TotalEnergies

TotalEnergies is a global integrated energy company that produces and markets energies: oil and biofuels, natural gas and green gases, renewables and electricity. Our more than 100,000 employees are committed to provide as many people as possible with energy that is more reliable, more affordable and more sustainable. Active in about 120 countries, TotalEnergies places sustainability at the heart of its strategy, its projects and its operations.

Cautionary Note

The program, reserved to eligible employees and retirees of the Company, will be implemented in France as well as in certain foreign countries, including the United States, where the shares offered in the United States will be registered with the Securities and Exchange Commission (SEC). Shares and FCPE units offered outside the United States will not be registered with the SEC. In particular, the units of the below-mentioned FCPEs cannot be offered or sold in the United States directly or indirectly (or in its territories or possessions), or for the benefit of a "U.S. Person", as defined in American regulations. Persons wishing to subscribe to units in these FCPEs, will have to certify, when subscribing, that they are not "U.S. Persons". The definition of "U.S. Person" is available on the FCPE Management Company's website (www.amundi.com).

This press release is produced for information purposes only and does not constitute an offer for the sale or the subscription of securities. Moreover, this press release should not be distributed in the countries where the offering remains subject to approval of the local authorities.

The offer will be issued only in the countries where the local administrative and regulatory procedures have been implemented (in particular, the registration procedures, notification, granting of authorizations and/or applicable exemptions and the information or the consultation of the representatives of the employees).

This press release represents the document required to qualify for the exemption from the requirement to publish a prospectus as defined in Articles 1 4^o) and 5^o) of the Regulation (UE) 2017/1129 of June 14, 2017.

APPENDIX TO THE PRESS RELEASE ON MAY 22, 2026

ISSUER: TotalEnergies SE

Information related to TotalEnergies SE is available on its website (www.totalenergies.com) and more specifically in its 2025 Universal Registration Document, the French version of which was filed with the *Autorité des marchés financiers* (“AMF”) on March 27, 2026 under the registration number D.26-0161 and is also available free of charge at the head office of TotalEnergies SE.

SCOPE OF THE RESERVED OFFERING: CORPORATIONS AND BENEFICIARIES

Approximately 120,000 beneficiaries are eligible to participate in the 2026 capital increase. Subject to compliance with regulations and required administrative approvals being obtained in the different countries, this capital increase will be reserved to employees and former employees of the Corporation and its French and non-French subsidiaries, the capital or voting rights of which, as of the opening date for the subscription period, are directly or indirectly held at more than 50% by TotalEnergies SE (the “Subsidiaries”), members of the PEG-A:

- employees of TotalEnergies SE and its Subsidiaries:
 - who have at least 3 months of employment with the Company as of the last day of the subscription period; and
- former employees of TotalEnergies SE or the Subsidiaries, if they:
 - have left the Company due to retirement or early retirement;
 - had made at least one payment in the PEG-A before termination of their employment;
 - still have assets invested in the PEG-A, and, thus, are members of the plan.

MATCHING CONTRIBUTION

Employees subscribing to the offering will benefit from a matching contribution in the form of a free allotment of additional shares, determined based on the amount of the personal contribution and within the limits of ten free shares per employee and within the maximum amount of the offering set by the Board at its meeting on September 24, 2025.

SUBSCRIPTION TERMS AND CONDITIONS

The beneficiaries will have the opportunity to subscribe via employee shareholding funds (“FCPEs”) created for the needs of this offering and which have been approved by the AMF. In the countries where this option is not available the shares will be directly subscribed.

Voting rights attached to the shares subscribed through an FCPE will be exercised by the Supervisory Board of such FCPE. With respect to the shares subscribed directly by employees, the voting rights will be exercised by the subscribers individually.

MAXIMUM SUBSCRIPTION

Pursuant to Article L. 3332-10 of the French Labor Code, the amount of the payments made each year by an employee as part of a savings plan (excluding matching contribution and profit-sharing schemes, i.e., *intéressement* and *participation*) cannot exceed one quarter of the employee’s gross annual salary.

LOCK-UP PERIOD FOR THE UNITS OR SHARES

Pursuant to Article L. 3332-25 of the French Labor Code, shares or FCPE units subscribed in this offering must be held during a lock-up period of five years, except for certain early release cases provided for by Articles L. 3324-10 et R. 3324-22 of the French Labor Code. For beneficiaries who are not French tax residents, the list of early release cases may be adapted due to legal provisions applicable locally.

RULE FOR REDUCTION OF SUBSCRIPTION REQUESTS

The capital increase will be fulfilled by the total number of shares subscribed directly by employees and via the FCPEs. If the total number of subscribed shares exceeds the maximum number of shares offered by the Board of Directors at its meeting on September 24, 2025 (18

million shares, including shares allotted as an immediate employer contribution), the subscriptions will be cut back in the following manner:

- all subscription undertakings will be fully honored up to the subscription average, defined as the quotient between the maximum number of shares offered by the Board and the number of subscribers,
- subscriptions undertakings that exceed the subscription average will be fulfilled in proportion to the number of subscription undertakings not yet fulfilled with the reduction being made as follows:
 - the reduction will be carried out on a pro rata basis according to the subscription undertakings; and
 - the reduction will be carried out first on the portion of the offer paid with salary advance then, when applicable, on the portion paid with profit-sharing schemes and then on the portion paid in cash.
